Judge Barry C. Schneider (ret.) served on the Maricopa County Superior Court for 21 years from 1986 to 2007. From his first assignment on the civil department through his tenure as civil presiding judge, he took an active leadership role in establishing ADR as part of the legal culture in this community. He was part of the initial pilot project where he conducted hundreds of settlement conferences in all types of civil cases, i.e., medical and ordinary negligence, products liability, and commercial. That project led to the adoption first of a local and then a statewide rule of procedure requiring mandatory settlement conferences. He also provided early leadership in the promotion and development of summary jury trials in Maricopa County, leading to the adoption of the highly successful short trial program in Maricopa County. Judge Schneider published articles in the ABA publication *Litigation* describing his experiences.

While on the bench Judge Schneider served on the civil department (presiding on 2 occasions), the criminal department and the family court department (presiding once).

Before his appointment to the bench he was an associate at Langerman, Begam, Lewis, Leonard & Marks and then a partner at Rosen & Schneider, Ltd.
