SUMMARY

Appointed to the Superior Court of New Jersey in 2004, the Honorable Eugene J. McCaffrey, Jr. served as Presiding Judge of the Civil Division for Cumberland, Gloucester, and Salem Counties during the last six years of his tenure. He presided over 130 jury trials and managed a wide range of complex civil matters, including personal injury, professional malpractice, employment and labor disputes, products liability, consumer fraud, land use, real estate, contract, toxic torts, construction, corporate disputes, and insurance coverage. He also served as the conflict Chancery Judge for general equity and probate matters.

During his time on the bench, Judge McCaffrey chaired the Supreme Court Arbitration Advisory Committee and served on both the Supreme Court Advisory Committee on Expediting Civil Actions and the Judiciary Advisory Committee on Information Technology. He was a frequent presenter for ICLE's annual Civil Case Law Update and a panelist for the New Jersey State Bar Association. He also regularly spoke on professionalism for Vicinage XV and lectured at New Judge Orientation sessions. In the last three judicial surveys conducted by the New Jersey Law Journal, he ranked in the top 10% of all trial judges statewide.

Prior to his judicial appointment, Judge McCaffrey earned certification as a Civil Trial Attorney by the New Jersey Supreme Court and received an AV rating from Martindale-Hubbell. His legal practice spanned litigation in state and federal courts, as well as advisory roles for municipalities, developers, business clients, and individuals. He served on the New Jersey District IV Ethics Committee and as a civil arbitrator in Gloucester County.

Since founding McCaffrey ADR, Judge McCaffrey has mediated and arbitrated more than 1,000 matters, bringing judicial discipline, practical insight, and a reputation for fairness to every case.
