

I have been associated with Florida Mediation Group as a certified circuit civil mediator and qualified arbitrator since 2006. My decision to join Florida Mediation Group was based upon its excellent reputation and my personal high regard for the mediators and management of the Group.

As a trial lawyer (board certified for twenty years) I represented both plaintiff's and defense interests, which gave me a more balanced perspective of the litigation process. I have tried more than 200 jury trials, from slip and falls to wrongful death, contracts, insurance coverage, franchise issues and various other types of claims along the way and learned the value of an effective mediator in resolving disputed claims.

I am looking forward to applying my more than three decades of experience to help you and your clients achieve a positive resolution of your cases.

Please feel free to contact me at Florida Mediation Group at 305.579.9990 to schedule your next mediation or arbitration.
