Florida Bar Board Certified Civil Mediator
Florida Supreme Court Arbitrator

MEDIATION EXPERIENCE:

Medical Malpractice; Personal Injury; Insurance Disputes; Commercial Litigation; Negligence

PHILOSOPHY:

“The parties enter mediation unsure that a discussion of their disputed matter is going to result in a settlement that meets their needs and expectations. This mediated discussion is not an academic exercise that magically results in an agreement from the mere use of self-determination by the parties. Instead, it is the mediator using his or her knowledge, experience, and skill to challenge the parties which produces a fair resolution of the case.”
