REPRESENTATIVE LITIGATION EXPERIENCE

- Representation of contractors, subcontractors, manufacturers, distributors, suppliers, owners and owners' associations in various types of multi-party, multi-million dollar construction/property-related lawsuits and contract negotiations;
- Participation with class-counsel team in national class-action lawsuits involving building products, including the Masonite, Georgia Pacific, and Louisiana Pacific class-actions;
- Representation of real estate finance company in a \$75 million dollar lender liability case arising from \$10 million dollar operating line of credit provided to finance timeshare sales;
- Representation of corporate defendant in personal injury asbestos cases; and
- Representation in broker fraud cases in federal court and in arbitration before the New York Stock Exchange, including suitability cases, churning cases, misrepresentation cases, execution cases and registration cases.

MEDIATOR EXPERIENCE

Mediated over 750 cases, including a wide variety of personal-injury claims, product-liability claims, commercial transactions, land-use issues, zoning issues, construction defects, construction-delay claims, mechanic's liens, legal malpractice, medical malpractice, accountant malpractice, architect/engineer malpractice, lender liability, and insurance coverage matters. The cases mediated have involved simple two-party matters and hundreds of other cases with 10, 20, 30, 40 and 50 parties. The settlements of cases mediated have been as low as less than \$10,000 to greater than \$20,000,000.
